

INSTITUTIONAL BEST PRACTICE: 2017-18

Attention to Sports and Sportspersons.

We, at Babu Anant Ram Janta College, Kaul (Kaithal), believe that Sports is an integral part of holistic education. Sports education develops the overall personality of the students. It plays a pivotal role in shaping one's personality and maintaining good health.

Objectives of the Practice

- Talent search at micro level and appropriate training.
- Monitoring at regular intervals to enhance performance towards excellence.
- To ensure excellent Sports Infrastructure Development & Maintenance is carried out by the institution
- To provide students training, fitness opportunity and guidance.
- To take sportspersons to different inter college, zonal, inter-university level and state level, national level and international level competitions and tournaments for exposure.
- To encourage the students to take up sports related careers.

Observation of the Practice:

The students who are interested in sports irrespective of their streams i.e. B.A, B.Com, B.Sc (Non-Medical), B.Sc Sports, D.P.Ed are trained and tutored in the sport of their choice and skill. The college has facilities and grounds to play games like Volley Ball, Foot Ball, Basket Ball, Badminton, Kabbadi, Athletics, Gymnastics, Handball, Wrestling, Judo and Kho Kho. The sportspersons can make use of these grounds for their sports. It is available for students as well as for the nearby locality people.

Evidence of Success:

The college has attracted many budding sportspersons from schools who take admission to make use of the sporting infrastructure of the college. Many players from the college won awards in tournaments:

1. The team of the college won "Gold Medal in Kho kho" at KUK Inter College Khoo-Khoo Championship held at Kurukshetra University from 12-09-2017 to 14-09-2017.

Best Practices-II

Title: Financial Assistance Services

The context that required the initiation of practice

Education is the fundamental right of every child. Any young aspirant should not be deprived of higher education due to weak financial condition. The academic excellence of an educational institution depends upon several factors. Financial assistance to needy and deserving students is one of them as it encourages students for studies and performs better in their academic pursuits. Despite many ongoing schemes of the Central and State Govt., a large number of needy students having potential and determination to pursue further studies are left out of the required financial help. A section of College employees with economic restraints also require special consideration for supportive measures for financial aid.

Objectives of the Practice

- To provide financial assistance to needy and deserving students to continue their studies upto higher levels.
- To tap drop outs due to economic and social disadvantages

- To promote competitive performance among students in academics, sports and extracurricular activities.
- To ensure congenial and supportive work environment to employees.

The practice

Comparative fee structure of the College is liberally maintained at the bottom line among the Govt. Aided Private Colleges in Haryana. As and when the state govt. and affiliating University enhance fee structure, keeping in view the financial hurdles faced by students, the College administration ensures only a nominal increase. The institutional system of financial support to the needy and reasonably good performers in academics, sports, cultural activities is quite robust ranging from 50% to 100% tuition fee waivers. In routine admission process, it is ensured that in case of SC/ST category students, govt. norms regarding without cash payment are strictly followed. In practice, the College accommodates a large number of students under flexible system of fee payment, half and full fee concession and instalments. To identify genuine and deserving students, fees concession committee is formed to scrutinize academic credentials/performance and extent of economic hazards of the applicants. In addition to the above, the institution has a strong tradition and practice of supporting the employees as and when genuine requirement is presented to the Chair. Need-based advance against salary, interest free Loan for marriage/education of children, advance for wheat, fee waiver for wards and special drives for financial and institutional community support in conditions of health or other emergency are the hallmarks of overall support to the employees.

Obstacles faced if any and strategies adopted to overcome

At appropriate levels efforts are made to allocate and procure funds for uninterrupted implementation.

Impact of the Practice

The practice of financial assistance to needy students with adjoining clause of 'good performance' has helped in giving a feeling of earning the benefit. Retention of students from disadvantaged sections and backgrounds is ensured and drop outs minimized. Despite differential pay scales, nature of job and qualifications, the employees of the College work under the same system of assurance and practical support in hour of need.

Resources Required:

Resources required are provided by all concerned without delay or dilemma.
